FULL TRANSFORMATION

Led by Guillaume and our full team, with Guillaume overseeing execution.

Headline:

A Complete Garage Transformation — Designed, Managed, and Delivered for You

Core Description:

Experience our most comprehensive service.

We handle scheduling and coordination, so your project runs smoothly

What you get

- Custom optimized layout
- 3D design with 4–6 realistic views
- Full space planning (storage, living, utility, etc.)
- Complete material & equipment selection
- Sourcing and logistics coordination
- Project management and execution oversight
- Final walkthrough of your ready-to-use space

Additional revisions or changes in scope are quoted separately.

Service Fee starts at \$2,750

Fully credited when you move forward with a signed project contract

Typical project investment depending on layout, finishes, and customization level

This investment elevates your daily living and adds lasting value to your property.

Deposit Structure:

- 50% to secure your project and begin design
- 25% after design validation (materials & sourcing phase)
- 25% upon completion and final walkthrough

This ensures your entire project is fully prepared before execution.

How it works

- Dedicated consultation to define your vision
- Clear scope, budget, and timeline
- Structured phases from design to completion
- One expert guiding your project throughout

Use of Designs:

All plans and visual designs remain the property of Garage à la Carte and are provided for your personal project use only.

Your service fee is fully credited when you move forward with a signed project contract.

If you choose to build independently or work with another contractor, a separate usage or release agreement may be required.
