DESIGN & SETUP

Headline: From Vision to Reality – A Fully Prepared, Ready-to-Execute Project

Core Description: We take your project beyond design, ensuring every detail is addressed.

Move from design to execution without the sourcing headache.

Service Fee starts at \$1,500

Service fee fully credited when you move forward with a signed project contract

What you get

- 1 optimized layout
- 2 realistic views
- Product selection guidance
- Sourcing coordination
- Setup planning for installation
- 1 round of minor adjustments

Requests for extra views, major changes, or a new direction after approval will be quoted separately.

How it works

- Free consultation to define your project
- Clear scope before commitment
- Fixed starting price — final pricing depends on size, complexity, and sourcing needs
- Delivered digitally with setup guidance

We make sure your design, products, and setup plan are organized before the next phase begins.

Deposit Structure:

- 50% to secure your project and begin design
- 25% after design validation (materials & sourcing phase)
- 25% upon completion and final walkthrough

This ensures your entire project is fully prepared before execution.

Additional revisions, views, or changes in scope are quoted separately.

Use of Designs & Service Fee Credit

All plans and visual designs remain the property of Garage à la Carte and are provided for your personal project use only.

Service fee fully credited when you move forward with a signed project contract

If you choose to build independently or work with another contractor, a separate usage or release agreement may be required.
